BRICK OVEN PIZZA 33

268 W 23RD Street

New York, NY 10079

212.206.0999

Some will argue Pizza 33 is the best pizza in the city. This relatively unknown in the land of pizza giants is a true

gem. Nothing fancy about this place, just great pizza.

Without a doubt this is the crispiest crust you will find in all New York pizza shops. I said it and I will challenge you to prove me wrong. You see our list of great pizza we have tried and we stick by our statement.

Look at how this crust holds up. You can see just how crispy it is going to be. Good sauce and cheese combo – goes well together. Of course fresh basil tops it off – it’s New York.
