There are two of these located in Trenton and is one of the original pizza places in

America. This though is TOMATO PIE with a thin, crispy, crunchy crust. The emphasis is on the sauce rather than the cheese. As you can imagine there is usually a line out the door, but if you can go, it is worth it. This is a Chambersburg/Trenton institution that should be on your checklist of great East Coast Pizzas.

You will notice what I was talking about with the emphasis on the tomato sauce. Super thin crust – great taste.
