Ask anyone who has ever been to a wedding or a shower or any catered event in the Phillipsburg, NJ area about Flynn's and you will get the exact same response every time, "Did you have the fried chicken?" This is ridiculously addictive fried chicken. My mouth is watering as I am writing this just thinking about it... see pics below.

Flynn's famous fried chicken. Tough to get really good pics because all you want to do is eat it. Fingers are all ready a little slippery from housing 6 or 7 legs.

This is truly one of those things that when I came across it I immediately thought to myself - anywhere in America this would be considered really good. All the places we have been, this would work.
