Kopper Kettle Tavern

Feasterville – Trevoise, PA 19053

215.322.0975 Restaurant

215.322.0993 Take-out

This place is an absolute staple in Lower Bucks County and what we at the Eating Team are all about, serving up great no nonsense food that does not break your wallet. If you are into great food and are not looking to count calories – look no further, you have found what you are looking for. The menu has not changed since anyone can remember. A couple add-ons – but great recipes are great recipes. If you ask an Eating Team member from Bucks County to pick their “All Time Bests”, this is right up at the top every single time.

The Kopper Kettle cheese steak should not to be overlooked. You can get it for take-out but have to order it from the restaurant. Kevin Conlin calls it a great quality steak and if you know the Conlin boys, you know they know their food...
