Lenny's Hot Dogs

606 W Street Road

Feasterville – Trevoose, PA 19053

Lenny's is a place where they combine a lot of your favorites together to make a good hot dog. They serve Illg's meats there – so you know it is a quality product. They combine things like old fashioned pepperhash and fishcake on a dog. Better yet, they have of course a Texas Tommy with bacon and wiz – again, how can that be bad. They also serve some older style sodas like the kind you just can't find any more in the supermarkets or really most deli's for that matter. Above all they seem to be great people serving you, ready for friendly conversation and good recommendations. Check out their combo specials as well.
