Nifty Fifty's has been one of our favorite blue collar eateries since we were in high school, that's going back awhile now. There are a couple locations in the Philadelphia area and all are awesome. They have over 100 flavors of soda and a ton of milkshakes. The Eatingteam always orders pretty much the same things as far as starters, spicy chicken cheese nuggets (real chicken), onion rings, a couple of Texas Tommy's, milkshakes and chili cheese fries. Then, we each order from there. This is a nap meal, meaning after you eat, you will need a nap. Many, many great things offered here. One of our all time favorite restaurants, you can find Nifty Fifty's on many of our top lists.

Real chicken nuggets covered with cheese wiz and a flavorful spice. Some members like to dunk these in their milkshakes.

**Some favorites to drink:
Peach soda and a Pina
Colada milkshake.**

Everything gets washed down with a Texas Tommy, one of top hot dogs. A deep fried hot dog wrapped in bacon and covered in cheese wiz on a toasted roll. Again , this is good dunked in a

milkshake, but then again, what isn't.

After we get through our appetizers, we eat. On this particular day, we were here for breakfast, an omelette with a side of kielbasa. Fantastic.

I can't stress this enough, Nifty Fifty's is an unbelievable place. You can expect a lot of updated pictures from this place, as we are frequent visitors here.
