**Pommes Frites is a truly unique place right down the street from McSorley's. This is a business designed around Frites or big, thick, crispy, tasty fries and the sauces that you dip them in. They will offer you a sample of any of their sauces to dip their frites in. They are good enough though to eat all by themselves.**

**Here they are, very similar to Boardwalk fries, as you can see.**

**A sample of some of their  
sauces they had on this trip.**

**We chose to go with the  
“smoked eggplant”. Very  
garlicly and creamy.**
