If you are a fan of BBQ you are probably aware of Paul Kirk. Rub BBQ is partly his BBQ joint. Thankfully he left the K.C. area to open a New York BBQ so those of us on the East Coast can sample some of his expert work. The wings we had here were fantastic. We will be going back for more things in the near future.

These are as good as they look. Spicy, flavorful and full of great want more tastiness.

**Pick out all the different spices.
