A great example of how “if it ain’t broke, don’t fix it”. This is a staple in Bucks County for many, many years. Tanner Brothers is a family-owned and run real dairy farm that makes their own ice cream. To help fill in all the cracks after a big meal, we go there for milkshakes and of course ice cream. This place rivals Penn State Creamery for homemade ice cream products.

Thick, creamy, stick to the straw milkshakes. Mint chocolate chip was my flavor today, but I could not get it away from Brock to get much of it.
