Great breakfast – get there early. Daddypop’s is a local institution that has a well deserved reputation. The line forms quick. The potatoes and kielbasa, grits and baked beans are a great addition to any breakfast menu.

*****Best cheese steaks in Bucks / Montgomery County*****

They make their own rolls daily.

Also try their Stromboli / Hoagies – They will sell out early as they only bake so many products per day. Also they are not open on Sunday.
