HOME OF THE FAMOUS BREWERIES

Culvers

A chain fast food place that has Butter Burgers and custard, that is a big mid west thing.....just butter spread on the bread and toasted. The custard is ice cream but with more milk fat added to make it super creamy.

I ordered a double cheddar cheese butter burger with crinkle fries, and really horrible "mozzarella" cheese curds.....now cheese curds in Wisconsin are usually made out of cheddar cheese, these cheese curds were tiny mozzarella balls, that were deep fried, like mozzarella sticks.

Butter double cheddar cheese burger and cheese curds.

I ordered a chocolate custard with fresh raspberry's and pecans.

This was the vanilla custard strawberry shortcake sundae.

Sad to say these were the only food pictures I took with my camera phone.

Next was the Soul Food portion of the tour

The Bungalow

On the menu, that was ordered: Fried chicken dinner, with black eyed peas, fried okra and cornbread, the cornbread resembled a pancake, but was made with white cornmeal and was more savory then sweet- none the less very tasty.

Also ordered was fried catfish, not the best on the menu, it had bones running throughout the fish and was tricky to eat while I was picking bones out of my mouth. And last but not least the fried pork chop on toasted white bread, that was amazing and such an unexpected surprise. Very good.

Mr. Perkins Family Restaurant

**2001 W. Atkinson Ave.
Milwaukee Wisconsin 53209

Upon walking in to Mr. Perkins place, if you look up on the wall opposite the counter (which was filled with loyal customers) there are hundreds of pictures of family, friends and famous people whom have signed loving messages to Mr. Perkins and staff. I actually was among the many whom had eaten Mr. Perkins fine Soul Food-(the best of the 2) some famous people were Destiny Child, Michael Jordan and Tom Brokow.

Ordered was 2 Hot Polish these were sausages that were crispy on the outside and tender and juicy on the inside, on a toasted and buttered hot dog bun, it came with 2 sides--dressing, which is a cornbread stuffing with cranberry sauce and mac and cheese. For dessert, banana bread pudding-this was to die for!

Open all year with carry-out service and featuring the world's finest frozen custard as well as hot sandwiches, butter burgers and soft drinks, plus custards of the day. Ordered: raspberry (custard of the day) with fresh raspberries and hot chocolate sauce. Chocolate banana split with nuts whipped cream and
